on the November ballot  
**in 2022!**

Yet another attempt  
to avoid our  
Legislators by  
amending our  
Constitution!

The Jungle Primary  
& RCV are Democrat SCAMS  
designed to eliminate Republicans  
from elected office!

???? "Winners" ????  
D Candidate #1 and #2 will be

NO REPUBLICANS AT ALL!

After our normal primary, R Candidate #1 would run against D Candidate #1 in November. In the RCV model all candidates would have been thrown into the mix, and ....

**The November election would be between two Democrats!**

Example only. Actual numbers will be based on candidates & legislation

On NOVEMBER 8  
Vote NO
